switch from driving in a convertible to an enclosed sports coupe in only a matter of minutes. Manual Soft Top Operation Step 1

How to Install a TT Soft Top | It Still Runs

Go into your manual or online and it will give you information on how to lower your top manually. When you lower your top manually you disengage the motor (which is in the trunk). Then you could try to engage the motor and see if it will lift up and close.

Sometimes this will re-time the top and that is all that is needed.
