and challenges of teaching at the bedside. 3) Explore strategies for improving teaching at the bedside.

~~Teaching at the Bedside – MAHEC~~

When conducting bedside teaching

- Establish rules of conduct for bedside presentation early in the rotation.
- For example:
 - Residents/students should not whisper in the patient's room.
 - Telephone calls should be made discreetly outside the room.
 - Laughing at a patient and the patient's responses is never appropriate.

One of the most well-known frameworks for bedside teaching is the "1-Minute Preceptor" or "Five Step "Microskills" model of clinical teaching, a focused, concise, teaching tool that is easy to implement in a busy environment.⁴ Using this technique, a student first presents a case to the teacher. The student is asked to commit to a diagnosis or clinical position and is then probed by the teacher for evidence supporting his/her position.
