Britain's Biggest Stockist of Beryl Cook Fine Art - Bumper ...

Beryl Cook, OBE (10 September 1926 – 28 May 2008) was a British artist best known for her original and instantly recognisable paintings. Often comical, her works pictured people whom she encountered in everyday life, including people enjoying themselves in pubs, girls shopping or out on a hen night, drag queen shows or a family picnicking by the seaside or abroad.

Beryl Cook - Wikipedia

Beryl Cook is Britain's most popular and endearing artist. Her ability to delight the viewer has made her as popular as any of our best-loved comedians. This beautiful and lavish book features over 300 of Beryl's playful, hilarious, and perceptive color pictures.

Beryl Cook's place deep in the heart of the British public is long-standing . Her humour, playfulness, subtlety and perceptiveness have guaranteed her position as Britain's most enduringly popular artist. Saucy and shy, risqué and prudish, she records details of contemporary life with irrepressible glee. Cruising is a book that illustrates both the sailing and the amorous kinds. Whether it's a group of large women tumbling into a tardis-sized jacuzzi on the deck of an ocean liner, or a bride-to-be lunging into the arms of an unsuspecting Tarzanogram on her hen night, Beryl Cook paints with delicious wit, inviting us in on a world having a good time.

There are more than a few ways to grow old, so why not choose disgracefully? This book features original artwork from Beryl Cook, accompanied by lovely suggestions from dressing inappropriately to naked hot-tubbing. A perfect gift for those living on the lighter side of life.

Beryl Cook began to paint during the 1960s and became a local phenomenon in Cornwall, England where she lived with her family, but it wasn't until 1975 that she first exhibited her work. Her appeal was classless and she rapidly became Britain's most popular artist. She was a 'heart and soul' painter, compelled to paint with a passion. Her work became instantly recognisable and was soon a part of our artistic vernacular. A modern-day Hogarth, Beryl Cook was a social observer, albeit with a more sympathetic view of humanity. The warm, original style of her paintings encapsulates joy. She possessed that rare gift - the power to uplift. Now the work of Beryl Cook can be seen again, both by her loyal fans and a new generation, in this vibrant and fun product range from Kinkajou.

Sir Charles Sheridan is many things—an amateur scientist, a renowned photographer, and a skilled detective. And due to Victorian customs, he will soon become a baron—rendering him unable to marry American writer Kate Ardleigh. But even as customs keep them apart, a good murder case always seems to bring them together... The Countess of Warwick, known affectionately as "Daisy," is the subject of endless rumors about her "unladylike" ways and temperament. But what happens during a weekend party at her Easton estate is uglier than any rumor. First, a stableboy is killed. Then a nobleman is murdered outside Daisy's well-known trysting spot. A murderer is on the grounds—and on the loose. Seeking to avoid scandal, the Prince of Wales orders Sir Charles to solve the case. Together, he and Miss Ardleigh find that even the highest levels of society are no refuge from the lowest of deeds...

Beryl Cook - Wikipedia

Newlyweds Charles and Kate Sheridan move to Bishop's Keep, Kate's ancestral home, and agree to hold an automobile exhibition and balloon race attended by Europe's gentry, but the gala soon turns deadly. Original.

'The World of Beryl Cook' presents a unique survey of Beryl Cook's 40-year career. The book traces the origins of her inspiration, from her life in Plymouth and Bristol to her love for the work of Stanley Spencer and Edward Burra.

Beryl Cook - Wikipedia

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, lempers are flaring . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon – each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.
