management bears both functional and strategic resemblance to human resource management. Functionally, it performs almost the same set of activities as human resource management – recruitment, selection, performance management, compensation, training, industrial relations, career management etc. Strategically international HRM is closely linked to the business strategy of the organization.

Personnel Management or the Diploma in Management Studies, and for students on general business or social service courses. Equally, the practising manager will find this book a useful and practical guide.

'Global Human Resource Management is a timely and excellent resource, and its focus on developing and transitional countries fills something of a gap in the literature. It is a welcome addition to the list of resources available to HR managers working in the international scene.' - Geoffrey De Lacy, HR Monthly This book presents Human Resource Management (HRM) as a tool for improving the performance of organizations in developing and transitional countries. It does this through the

Acces PDF Essentials Of International Human Resource Management

presentation of an integrated model of human resource management, informed by the practical realities of applying such a model in developing and transitional countries.

With increasing globalization comes the need to understand human resource management (HRM) more broadly across countries, cultures, institutions, and organizational types. Designed to help readers explore and understand the key concepts and latest research behind the strategic management of people in organizations that operate in a global context, this accessible book provides concise coverage of HRM concepts, balancing comparative approaches and US and non-US schools of thought. Not limited to the multinational firm, the book reflects the most
