The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

Whilst many claim to know the Rules of Golf, the fact is that every year golf's governing bodies receive thousands of inquiries about how to apply these Rules to the actual game. Decisions on the Rules of Golf 2016 clarifies any ambiguity that might arise from the Rules and allows you to correctly interpret the complete Rules of Golf, including all new and revised decisions made by the R&A's Rules Committee and the USGA that come into effect in 2016. The level of detail is staggering, covering everything from using bottled water to gauge a slope to what to do when your ball lands on a crawfish mound, and the new ruling on Anchored Putting, which has been so controversial. Whether in competition or everyday play, this book provides you with the necessary guidance to impartially apply the Rules in any situation encountered on the golf course.

"If you watch a game, it's fun. If you play it, it's recreation. If you work at it, it's golf." --Bob Hope This is an easy to read and understand instructional book to help adult players sharpen their skills. Although most golfers never improve once they reach adulthood, author Bill Kroen wants to help those golfers get past that and take their game to a new level. Readers will learn how to really learn the game (not just how to swing), they'll gain a greater sense of awareness of the total golf experience, and they will finally learn how to take their practice game to the golf course. Drawing on his background in psychology, Kroen directs his readers to envision the results they want. Then they can put what they read into practice without the confusion caused by most instructional books. Golf: How Good Do You Want to Be? offers a blueprint for resourceful practice and practical application with chapters including "The Mental Connection," "The Art of Practice," "Thinking Your Way Around the Course," and "Scoring Well."

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

Become a golf trivia expert with these challenging questions about Jack Nicklaus, the Masters, Tiger Woods, and more! The Ultimate Book of Golf Trivia tests and expands your knowledge of golf—covering the sport from the 1970s (and earlier) up to the present day. In this collection of six hundred questions, seasoned sports writer Ryan Hannable tests your level of expertise on all things golf. Some of the many questions that Hannable poses include: Which major was Jack Nicklaus's 18th and final one? What is the only Grand Slam tournament Lee Trevino did not win? Where did Jordan Spieth go to college? At the 2016 Summer Olympics in Rio de Janeiro, which golfer won gold in the men's individual tournament? Superstars of the past and present are represented, from Walter Hagen to Tiger Woods, Arnold Palmer to Jason Day, Gary Player to Brooks Koepka, Ben Hogan to Phil Mickelson and everyone in between. The book also includes a special section on the rules of the game. The Ultimate Book of Golf Trivia is the definitive test for knowledgeable golf fans!

The author of the bestselling Golf-Tip-A-Day Desk Calendar and The Why Book of Golf separates the putters from the poseurs and teaches every golfer a thing or two about the game with this golf quiz book that answers over 200 questions about the game and its history. 20 photographs.

The ideal gift for Disney fans and animation and movie buffs, The Disney Book also includes 3 original movie frames from Disney Pixar's Brave. Copyright © 2015 Disney.

Alternative Investments: A Primer for Investment Professionals provides an overview of alternative investments for institutional asset allocators and other overseers of portfolios containing both traditional and alternative assets. It is designed for those with substantial experience regarding traditional investments in stocks and bonds but limited familiarity regarding alternative assets, alternative strategies, and alternative portfolio management. The primer categorizes alternative assets into four groups: hedge funds, real assets, private equity, and structured products/derivatives. Real assets include vacant land, farmland, timber, infrastructure, intellectual property, commodities, and private real estate. For each group, the primer provides essential information about the characteristics, challenges, and purposes of these institutional-quality alternative assets in the context of a well-diversified institutional portfolio. Other topics addressed by this primer include tail risk, due diligence of the investment process and operations, measurement and management of risks and returns, setting return expectations, and portfolio construction. The primer concludes with a chapter on the case for investing in alternatives.
