A detective with no one to trust A killer with nothing to lose Detective Emily Baxter is still reeling from the Ragdoll case, and from the disappearance of her friend William “Wolf” Fawkes. Despite her reluctance to jump into another gruesome case, she’s summoned to a meeting of a new FBI/CIA/UK law enforcement task force in New York. There, she is presented with photographs of the latest copycat murder: a body contorted into a familiar pose, strung up from the Brooklyn Bridge, the word “BAIT” carved deep into its chest. As the media pressure intensifies, Baxter is ordered to assist with the investigation and attend the scene of another murder, again with a victim inscribed with a word—“PUPPET.” The murders continue to grow in spectacle and depravity on both sides of the Atlantic, and the team helplessly plays catch-up. Baxter must shake off the grief and fear that have paralyzed her for the last year so she can stop another terrible killer before it’s too late.

A body is discovered with the dismembered parts of six victims stitched together like a puppet,

nicknamed by the press as the 'ragdoll'. Assigned to the shocking case are Detective William 'Wolf' Fawkes, recently reinstated to the London Met, and his former partner Detective Helen Baxter. The 'Ragdoll Killer' taunts the police by releasing a list of names to the media, and the dates on which he intends to murder them. Wolf Fawkes name is on the list. With six lives to save - including his own - can Fawkes and Baxter catch a killer when the world is watching their every move?

'Brilliant' M.J. Arlidge 'Exciting' Linwood Barclay A locked room. A dead body. A secret that went to the grave. When retired police officer Finlay Shaw is found dead in a locked room, everyone thinks it's suicide. But disgraced detective William 'Wolf' Fawkes isn't so sure. Together with his former partner Detective Emily Baxter and private detective Edmunds, Wolf's team begin to dig into Shaw's early days on the beat. Was Shaw as innocent as he seemed? Or is there more to his past than he'd ever let on? But not everyone wants Wolf back - and as his investigation draws him ever deeper into police corruption, it will not only be his career on the line - but the lives of those he holds closest as well... The explosive new thriller from the Sunday Times and international bestseller, perfect for fans of Fiona Cummins and Helen Fields.

The “dark, twisted, thought-provoking”\* international bestseller—first in the series featuring Detective Helen Grace. Two people are abducted, imprisoned, and left with a gun. As hunger and thirst set in, only one walks away alive. It’s a game more twisted than any Detective Helen Grace has ever seen. If she hadn’t spoken with the shattered survivors herself, she almost wouldn’t believe them. Helen is familiar with the dark sides of human nature, including her own, but this case—with its seemingly random victims—has her baffled. But as more people go missing, nothing will be more terrifying than when it all

starts making sense.... \*#1 New York Times bestseller Tami Hoag

An addictive debut thriller starring an FBI consultant with a peculiar taste for crime and punishment... A boy vanishes on his way home from school. His frantic mother receives a ransom call: pay or else. It's only hours before the deadline, and the police have no leads. Enter Timothy Blake, an FBI consultant with a knack for solving impossible cases but whose expertise comes at a price. Every time he saves a life, he takes one, trying to satisfy an urge he fears he can only control for so long. And this time Blake may have met his match. The kidnapper is more cunning and ruthless than any he's faced before. And he's been assigned a new partner within the Bureau: a woman linked to the past he's so desperate to forget. Because he has a secret, one so dark he will do anything to keep it hidden. For fans of Dexter and Hannibal, Hangman introduces a darkly mesmerizing character whose skill at finding criminals comes from a knowledge that can only be learned firsthand.

Fiona Cummins delves into the seam of darkness that runs through us all as a detective hunts down a twisted killer with a macabre obsession . . . On still nights, when the curve of a winter moon is smudged in the flow of the River Quaggy, the dead clamor for him. And sometimes he coaxes the living to join them. To other people, his victims might be mere medical oddities. To him, they are fascinating specimens, worthy of display. Above all, he is a collector, eager for recognition even as he hides in the shadows. Detective Sergeant Etta Fitzroy is the first to recognize the connection between the disappearance of a young girl and a cold case that almost cost her the career she's sacrificed so much
