### Psalm 23 3 Commentary - Explaining the Book

He Restoreth My Soul was a huge eye opener to me. It shares in great detail the physical, emotional, and spiritual effects of an addiction to pornography. Written by a brain surgeon, this book first talks about the fact that pornography is literally an addictive drug, and makes a valid argument for classifying it as such.

Technology has accelerated our fascination with pleasure. Indeed, the power of pleasure has been underestimated, and Internet pornography is changing the world in a fundamental way. In this book, author Donald L. Hilton Jr., MD explores the destructive power of pornography addiction, not just from a moral and spiritual perspective, but with the scrutiny of modern science. Current research tells us that there is little difference in physical or chemical changes in the pleasure and control centers of the brain regardless of whether the addiction is "from a chemical or an experience," as stated in the journal Science. (Constance Holden, "Behavioral Addictions: Do They Exist? Science, 294 (5544) 2 November 2001, 980.) Relying on the latest research on addiction, and merging this knowledge with spiritual aspects of repentance and recovery, the author provides understanding and hope to those who seek healing and restoration of both body and spirit, which are the "soul of man."

As this journey begins there is pure joy in trusting the Lord and there is the sadness in losing loved ones. You might think you are drawing closer to the Lord but it is a whole new experience when He tells you "You are going to die this year." Daily surrendering all is so real and the joy is unspeakable. I identify with Isaac as he trusted his father as he led him unto death. Genesis 22:12 and the Israelites as they are being led out of Egypt by God as the pillar of a cloud. Exodus 13:21. This journey is full of life experiences that everyone can identify with, learn from and be blessed by. My prayer is if you do not have a personal relationship with the Lord that you will acquire a thirst, in deed, to know more about Him. "Seek and you shall find."
