This book will be a successful one and will create many scientists in future.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Index ----- EXCERPT: CHAPTER 45 : SEVEN WONDERS OF THE ANCIENT WORLD----- The Seven Wonders of the ancient world were seven outstanding objects that were built in ancient times. Today, only the pyramids are still standing. All the rest have been destroyed by earthquakes, fire or invaders. These Seven Wonders are arranged here in the order in which they were built. The Pyramids of Egypt (Giza, Egypt; built from 2700 to 2500 BC) They were built as royal tombs for the Egyptian pharaohs. There are many ancient pyramids in Egypt, but the greatest are the three at Giza. The largest of these is the Great Pyramid of Cheops which stands about 146 m high. The Hanging Gardens of Babylon (Iraq; built around 580 BC) These were spectacular gardens, rising in a series of terraces (rather than hanging). They were built by king Nebuchadnezzar II for his wife. Nothing remains of them. The Statue of Zeus at Olympia (Greece; made around 457 BC) It was a wooden statue of the king of the gods, Zeus, covered with gold and ivory. This 12 m high majestic seated figure was created by the sculptor Phidias. The Temple of Artemis (or Diana) at Ephesus (Turkey; built around 400 BC) It was one of the largest temples in the ancient world built mostly of marble in honour of a Greek goddess, Artemis. Some of its marble columns are in the British Museum in London. The Tomb of Mausolus (Turkey; built around 353 BC) This was a magnificent tomb of Mausolus, a ruler of Caria, built at Halicarnassus by his widow. It was a very massive tomb of white marble. The Colossus of Rhodes (Greece; built around 280 BC) It was a huge, bronze statue of Sun god Helios, stood at the entrance of the harbour of Rhodes. It was about 30 m high. The Pharos of Alexandria (Egypt; built around 270 BC) This was the largest lighthouse of the ancient world, built on the island of Pharos in the harbour of Alexandria by Ptolemy II. It was about 135 m tall. It had a wood fire burning on top and its light could be seen 65 km away. CHAPTER 48 : NOBEL PRIZE----- Nobel Prize, named after Alfred Bernhard Nobel, is the most prestigious award in the world. The six Nobel Prizes are awarded each year to those who, in the opinion of judges, have contributed the most in the fields of physics, chemistry, physiology or medicine, literature, peace and economics. The first prizes were awarded in 1901. The Nobel Prize for economics was established by the Swedish National Bank and awarded for the first time in 1969. The Nobel Prizes are awarded annually on December 10, the death anniversary of the founder. He left 9 million US dollars to set up the prizes. The interest that this money earns each year is used for the prizes. The value of each of the six prizes is about 1 million US dollars. Besides the cash prize, each award consists of a gold medal and a diploma bearing a citation. The peace prize is awarded in Oslo, Norway. The other prizes are presented in Stockholm, Sweden. A candidate may not apply directly for a prize. A qualified person must submit each name in writing. Two or three people may share a prize. Sometimes, prizes are not awarded or awarded in a latter year. The peace prize has been omitted most frequently. For the literary prize, the Swedish Academy considers only works that have appeared in print. The academy usually selects an author for his or her complete work rather than for one book. ----- !-- Begin Web-Stat code 2.0 http -- !-- End Web-Stat code v 2.0 --
