Modern retreaters have a new enemy to fear - our own government. In this companion to the classic book *The Survival Retreat*, Ragnar answers such vital questions as how to identify exactly who threatens your freedom, when to occupy your retreat and how to fight the government when it goes hard-core against you.

Written specifically for use in Caribbean schools, this course is tailored to the requirements of Integrated Science students and the latest CSEC syllabus by providing course contents in a clear, concise and accessible way. It now features newly added digital resources and increased SBA guidance, to help engage students and provide additional support as they study for their examination.

Two new titles that provide comprehensive coverage of the syllabus. Units 1 and 2 of Biology for CAPE® Examinations provide a comprehensive coverage of the CAPE® Biology syllabus. Written by highly experienced, internationally bestselling authors Mary and Geoff Jones and CAPE® Biology teacher and examiner Myda Ramesar, both books are in full colour and written in an accessible style. Learning objectives are presented at the beginning of each chapter, and to assist students preparing for the examination, each chapter is followed by questions in the style they will encounter on their examination papers.

Textbook provides complete coverage of the CAPE Biology Unit 2 syllabus. There are worked examples, a glossary of important biological terms, end of chapter questions in a range of formats (multiple choice, structured and essay questions) and a summary of key ideas at the end of the chapter
