This introductory text covers all major areas of police operations with a focus on community-oriented and problem-oriented policing, which reflects the current direction of progressive police departments. Providing a comprehensive presentation of police operations, the authors incorporate the latest research on patrol techniques, cultural diversity, and changes in police administration policy. The text goes beyond the traditional focus on the patrol function of policing, but is still geared towards the student pursuing a career in law enforcement. Known for solid coverage of basic policing principles and practices, this text one of the few texts in this market intended purely for the police operations course, and not for a combination of introduction to law enforcement and police operations courses. Wroblewski brings a practical and professional knowledge with a practitioner's point of view, while Hess brings her experience of over 25 years of developing instructional products.

Comprehensive, readable text that presents a practical look at police field operations and is designed to be used in one-semester courses on police operations or patrol procedures. Chapters have been designed to be independent units that can be taught individually, but also build upon each other to provide a complete picture of police operations.

One of the few books on the market designed solely for the police operations course, this introductory text will establish a solid foundation in all of the major areas of police operations, with a focus on community-oriented and problem-oriented policing that reflects the current direction of progressive police departments. Now in its 5th edition, POLICE OPERATIONS: THEORY AND PRACTICE allows educators to provide their students with the same solid, comprehensive presentation of basic policing principles and practices that previous editions are known for, while also including the latest research on patrol techniques, cultural diversity, and changes in police administration policy. With an author team that combines extensive practical and professional knowledge with strong experience in the development of instructional materials, this book is an ideal resource for any student pursuing a career in law enforcement. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Each year, the International Police Executive Symposium (IPES) holds a global conference for police scholars and practitioners to exchange information about the latest trends in police practice and research. Drawn from recent proceedings, The Evolution of Policing: Worldwide Innovations and Insights explores major policing initiatives and evolutions across the globe and presents practical insights on how police are retooling their profession. With insight from both police practitioners and scholars, the book covers a range of topics, including: The trends in evolving police roles among democratic and democratizing states in pursuit of improved policing models The impact and implementation of the currently dominant philosophy of community-oriented policing Innovations occurring in police training and personnel management Police operations and issues relating to ethics, technology, investigations, and public relations Challenges to police practices, such as terrorism, decentralization, and the policing of indigenous and special population groups A survey of the evolving roles and practices in policing across the world, the book is written in a style accessible to a wide audience. The expert insight will assist scholars in seeking directions for their current research endeavors while at the same time enabling practitioners to implement new programs or fine-tune their current practices.

Created specifically for police operations courses, this trusted text provides a focused, practical introduction to the key principles and practices guiding the operations of modern police departments. While maintaining its proven instructional approach and strong focus on community- and problem-oriented policing, the sixth edition of POLICE OPERATIONS: THEORY AND PRACTICE reflects the latest trends and research shaping the day-to-day operations of progressive police departments. A new "Perspectives from a First-Line Supervisor" feature shares practical, applied information.
