The Missionary Position: Mother Teresa in Theory and ...
In my book, The Missionary Position: Mother Teresa In Theory and Practice, I provide evidence that Mother Teresa has consoled and supported the rich and powerful, allowing them all manner of indulgence, while preaching obedience and resignation to the poor.

Mother Teresa | by Christopher Hitchens | The New York ...
Mother Teresa. While Christopher Hitchens offered up in-depth essays and critiques on many notable figures and political movements, hardly any public figure saw as much criticism as Mother Teresa, who Hitchens based several essays and his novel "The Missionary Position" on. His views on Mother Teresa didn't focus entirely on her character, rather extended to highlighting the praise and sainthood that she received by believers and non-believers alike, while he felt that she was not bereft of ...

Hell’s Angel (1994) is a British Channel 4 television documentary about Mother Teresa by Christopher Hitchens, a precursor to his book, The Missionary Positi...

Among his many books, perhaps none have sparked more outrage than The Missionary Position, Christopher Hitchens’s meticulous and searing study of the life and deeds of Mother Teresa--and it is now available as a Signal deluxe paperback. A Nobel Peace Prize recipient canonized by the Catholic Church in 2003, Mother Teresa of Calcutta was celebrated by heads of state and adored by millions for her work on behalf of the poor. In his measured critique, Hitchens asks only that Mother Teresa’s reputation be judged by her actions--not the other way around. With characteristic elan and rhetorical dexterity, Hitchens eviscerates the fawning cult of Teresa, recasting the Albanian missionary in a light she has never before been seen in.

Explores the work of Mother Teresa, questioning her association with corrupt and cruel leaders and discussing the way wealthy western society promotes her as a celebrity

Recipient of the Nobel Peace Prize, feted by politicians, the Church and the world's media, Mother Teresa of Calcutta appears to be on the fast track to sainthood. But what makes Mother Teresa so divine? In this frank and damning exposé of the Teresa cult, Hitchens details the nature and limits of one woman’s mission to help the world’s poor. He probes the source of the heroic status bestowed upon an Albanian nun whose only declared wish was to serve God. He asks whether Mother Teresa’s good works answered any higher purpose than the need of the world’s privileged to see someone, somewhere, doing something for the Third World. He unmasks pseudo-miracles, questions Mother Teresa’s fitness to adjudicate on matters of sex and reproduction, and reports on a version of saintly ubiquity which affords genial relations with dictators, corrupt tycoons and convicted frauds. Is Mother Teresa merely an essential salve to the conscience of the rich West, or an expert PR machine for the Catholic Church? In its caustic iconoclasm and unsparing wit, The Missionary Position showcases the devastating effect of Hitchens’ writing at its polemical best. A dirty job but someone had to do it. By the end of this elegantly written, brilliantly argued piece of polemic, it is not looking good for Mother Teresa. - Sunday Times

"All first-rate criticism first defines what we are confronting," the late, great jazz critic Whitney Balliett once wrote. By that measure, the essays of Christopher Hitchens are in the first tier. For nearly four decades, Hitchens has been telling us, in pitch-perfect prose, what we confront when we grapple with first principles--the principles of reason and tolerance and skepticism that define and inform the foundations of our civilization--principles that, to endure, must be defended anew by every generation. "A short list of the greatest living conversationalists in English," said The Economist, "would probably have to include Christopher Hitchens, Sir Patrick Leigh-Fermor, and Sir Tom Stoppard. Great brilliance, fantastic powers of recall, and quick wit are clearly valuable in sustaining conversation at these cosmic levels. Charm may be helpful, too." Hitchens--who staunchly declines all offers of knighthood--hereby invites you to take a seat at a democratic conversation, to be engaged, and to be reasoned with. His knowledge is formidable, an encyclopedic treasure, and yet one has the feeling, reading him, of hearing a person thinking out loud, following the inexorable logic of his thought, wherever it might lead, unafraid to expose fraudulence, denounce injustice, and excoriate hypocrisy. Legions of readers, admirers and detractors alike, have learned to read Hitchens with something approaching awe at his felicity of language, the oxygen in every sentence, the enviable wit and his readiness, even eagerness, to fight a foe or mount the ramparts. Here, he supplies fresh perceptions of such figures as varied as Charles Dickens, Karl Marx, Rebecca West, George Orwell, J.G. Ballard, and Philip Larkin are matched in brilliance by his pungent discussions and intrepid observations, gathered from a lifetime of traveling and reporting from such destinations as Iran, China, and Pakistan. Hitchens's directness, elegance, lightly carried erudition, critical and psychological insight, humor, and sympathy--applied as they are here to a dazzling variety of subjects--all set a standard for the essayist that has rarely been matched in our time. What emerges from this indispensable volume is an intellectual self-portrait of a writer with an exemplary steadiness of purpose and a love affair with the delights and seductions of the English language, a man anchored in a profound and humane vision of the human longing for reason and justice.

Does Mother Teresa Deserve Her Reputations As The Most Charitable Person Of All Time: This Book Reveals The Real Teresa.

Suggests that President Clinton's largest legacy may be the weakening of the presidency and of the Democratic Party.

No woman alive today has inspired so many with her simplicity of faith and compassion so all-encompassing. As she daily embraces the "least of the least" in her arms, Mother Teresa challenges the whole world to greater acts of service and understanding in the name of love. First published in 1971, this classic work introduced Mother Teresa to the Western World. As timely now as it was then, Something Beautiful for God interprets her life through the eyes of a modern-day skeptic who became literally transformed within her presence, describing her as "a light which could never be extinguised."

On June 8, 2010, while on a book tour for his bestselling memoir, Hitch-22, Christopher Hitchens was stricken in his New York hotel room with excruciating pain in his chest and thorax. As he would later write in the first of a series of award-winning columns for Vanity Fair, he suddenly found himself being deported "from the country of the well across the stark frontier that marks off the land of malady." Over the next eighteen months, until his death in Houston on December 15, 2011, he wrote constantly and brilliantly on politics and culture, astonishing readers with his capacity for superior work even in extremis. Throughout the course of his ordeal battling esophageal cancer, Hitchens adamantly and bravely refused the solace of religion, preferring to confront death with both eyes open. In this riveting account of his affliction, Hitchens poignantly describes the torments of illness, discusses its taboos, and explores how disease transforms experience and changes our relationship to the world around us. By turns personal and philosophical, Hitchens embraces the full panoply of human emotions as cancer invades his body and compels him to grapple with the enigma of death. MORTALITY is the exemplary story of one man’s refusal to cower in the face of the unknown, as well as a searching look at the human predicament. Crisp and vivid, veined throughout with penetrating intelligence, Hitchens's testament is a courageous and lucid work of literature, an affirmation of the dignity and worth of man.

At seventeen, Mary Johnson saw a photo of Mother Teresa on the cover of TIME magazine, and experienced her calling. Eighteen months later she entered a convent in the South Bronx, to begin her religious training. Not without difficulty, this boisterous, independent-minded teenager eventually adapted to the sisters' austere life of poverty and devotion, but beneath the white-and-blue sari an ordinary woman faced the struggles we all share, with the desires of love and connection, meaning and identity. During her years as a Missionary of Charity, Mary Johnson rose quickly through the ranks and came to work alongside Mother Teresa. Mary grappled with her faith, her desires for intimacy, the politics of the order and her complicated relationship with Mother Teresa. Finally, she made the hard, life-changing decision to leave the order to find her own path, and eventually to leave the Church altogether. The story of this compellingly honest woman will speak to anyone who has ever grappled with the mysteries and wonders of life and faith.
