Verse is a poetry anthology edited by Philip Larkin. It was published in 1973 by Oxford University Press with ISBN 0-19-812137-7 . Larkin writes in the short preface that the selection is wide rather than deep; and also notes that for the post-1914 period it is more a collection of poems, than of poets.

major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records. It deals with the interaction of British and non-western societies from the Elizabethan era to the late twentieth century, provides a balanced treatment of the ruled as well as the rulers, and takes into account the significance of the Empire for the peoples of the British Isles.
